

## Invite a Friend Terms and Conditions

### 1. Introduction

1.1. These Invite a Friend Terms and Conditions (the "Terms") are in addition to the Invest Terms and ISA Terms of Trading 212 that will apply to you if you open your Trading 212 Invest or Stocks and Shares ISA account (the "Account") with either Trading 212 UK Limited, FXFlat Bank GmbH or Trading 212 Markets Ltd. (all three hereinafter referred to as the "Company", "Trading 212", "We", "our" or "us"). Trading 212 CFD and Cash ISA accounts are explicitly excluded from the scope of this Campaign.

1.2. By participating in this Invite a Friend promotional campaign, both You and your Referral agree to the below Terms. You can find more practical information in the FAQ section of our Help Centre. The provisions of the Invest/ISA Terms shall be applied in addition to these Terms. In case of any inconsistencies, these Terms shall take precedence over the Invest/ISA Terms.

1.3. All words and phrases highlighted and not defined in these Terms shall have the same meaning as defined in our Invest/ISA Terms.

### 3. About the Campaign

3.1. Any individual abiding by these Terms – whether an active Client or a Prospect Client (i.e. Referral) who resides in any of the Selected Countries, can participate in the present Campaign and earn Reward Shares. Promotional links are distributed to Referrers on a limited basis; therefore, not all active customers will receive a promotional link during the Campaign. For the avoidance of doubt, only existing Trading 212 Invest or Stocks ISA clients

who have received a promotional link shall be considered eligible Participants (Referrers) for the purpose of each separate Campaign.

3.2. In the rare scenario where We experience any difficulties in providing the Participants with an equity-based financial instrument as a Reward Share, We reserve the right to provide the Participants with the monetary value of such an instrument instead. Such value will be booked as cash on the Participant's account with Us. The monetary value shall be determined as of the date on which the reward is distributed.

3.3. The present Campaign shall be active in the following period: 10/04/2025, 00:00 AM GMT to 20/05/2025, 23:59 PM GMT (**'the Campaign Period'**). Please note that the promotional links are active for a single Campaign Period. Therefore, they would be issued at the beginning of a Campaign Period and expire at its end.

3.4. This Campaign is restricted to the first **five (5) Referrals per Referrer** who have successfully converted into active customers eligible to receive Reward Shares. In cases where a Referrer goes beyond this threshold, they may continue sharing their promotional link. However, only Referrals shall be entitled to receive Reward Shares. Any Referrer that goes beyond the above threshold but desires to continue being compensated for their promoting activity may become an Affiliate of Trading 212, subject to our consent.

## 4. Steps to undertake

4.1. You and your friend to receive Reward Shares, You must first share your promotional link with your friend. When your friend enters our website via your promotional link, they must register for an account with Us. Once the registration is submitted, we will consider your friend as your Referral. Your friend, now the Referral, must also:

- a. be submitting an Invest or Stocks ISA account registration form with Trading 212 for the first time;
- b. be successfully onboarded and verified by Us in accordance with our onboarding requirements;
- c. deposit an amount equivalent to or greater than the minimum set out in our Terms and fees (**'Minimum Deposit'**) up to 10 calendar days after submitting the account registration.

4.2. In case the promotional link did not work or your friend registered without using it – it's not too late! As an alternative, your friend may enter your Referrer ID on the application immediately after their account opening and still participate in the Campaign.

4.3. Please note that any Participant who does not cover or partially covers the requirements of the Terms shall not be eligible to receive any Reward Shares.

## 5. Reward Allocation

5.1. You shall receive the Reward Shares within 3 (three) business days after the successful completion of the steps described above and all prerequisites have been met. This period may be extended at our sole discretion, subject to technical or other issues. If You have an Invest and Stocks ISA Account with Us, the Reward Shares will be allocated to the account where a deposit was first made. If awarded to your Stocks ISA Account, please note that Reward Shares count towards your ISA maximum subscription limit as described in Clause 3.6. of our ISA Terms.

5.2. All Participants are free to refuse any Reward Shares within 24 hours from receipt. They can do so by contacting Us at: <https://helpcentre.trading212.com/hc/en-us/requests/new>.

5.3. Participants can also cancel the Reward Shares at the time of their allocation. Participants shall not be entitled to new Reward Shares for any refused or cancelled ones. In case any Participant cancels the allocation of the Reward Shares unintentionally, they may contact Us to review the case. If We find that the cancellation was indeed unintentional, We shall remediate the situation at our sole discretion.

5.4. All Referrals receive the Reward Shares after they are successfully onboarded with Us and have deposited the Minimum Deposit. In cases where the Referral has both an Invest and Stocks ISA account with Us (explicitly excluding CFD and Cash ISA Accounts) and is participating by registering via the promotional link, the Reward Shares shall be allocated to the account where the Minimum Deposit was made first. If the Referral is participating by applying the Referrer's ID, the Reward Shares are to be allocated to the account where the Referrer's ID was applied, regardless of where the first deposit was made.

5.5. The monetary value of the Reward Shares is subject to a 30-day withdrawal suspension period (withdrawal of the amount will not be possible during this period), which is unique for every separate Reward Share (**Lock-Up**). The Lock-Up does not affect in any way any other assets that the Participant may have. In case a Participant has sold the Reward Shares at a loss (for less than it cost at the time of allocation), only the funds acquired from the sale would be subject to the Lock-Up. If a Participant has received a monetary amount for a Reward Share, this amount shall also be subject to the Lock-Up.

## 6. Disqualification

6.1. Participants are not entitled to receive any Reward Shares (or may have previously awarded ones or their monetary value reclaimed by Us) if a Participant does any of the following, including but not limited to:

- a. violate, manipulate or not abide by any of the Terms or our Invest and Stocks ISA Terms or any of the applicable Legal Documents;
- b. not logging into their Trading 212 account for three consecutive months at any time after the Reward Shares have been received or sold by the Participant (whichever occurs the latest);
- c. your Referral reverses any of the steps as described above; and
- d. your Referral closes their account and/or withdraws all deposited funds immediately after the Reward Shares have been allocated to them.

6.2. If We believe that You have engaged in any fraud or material abuse or are engaged in any activity that may harm our reputation, We may, at our sole discretion, take any actions We see fit in the circumstances.

## 7. Miscellaneous
