For the avoidance of doubt, any Trading 212 CFD accounts shall be explicitly excluded from the scope of this Campaign.

Reward Shares are randomly selected to each Participant with a price of up to 100 EUR. The minimum value of the Reward Share is 6 EUR (which will appear in the default currency of the Participant's account). In the rare scenario where We experience any difficulties in providing the Participants with an equity-based financial instrument as a Reward Share We reserve the right to provide the Participants with the monetary value of such instrument instead, which will be booked as cash on the Participant's account with Us. Whereas the monetary value shall be determined as of the date on which the reward is distributed.

The present Campaign shall be active in the following time period: 11/07/2022, 00:00 AM GMT to 31/07/2022, 23:59 PM GMT (**'the Campaign Period'**).

### 4. Steps to undertake

In order for You to receive the Reward Share, You must fulfil all of the following criteria within the Campaign Period:

- Sign up for an account with Trading 212;
- Activate your account;
- Deposit any funds to your account within 10 calendar days after signup.

Please note that if You do not cover or only partially cover a certain requirement as set in the present Terms, You shall not be eligible to receive any Reward Share.

## 5. Reward Allocation

You shall receive the Reward Share within 3 (three) business days after all the steps described above have been completed successfully and all prerequisites have been met. This period may be extended at our sole discretion, subject to technical or other issues.

All Participants shall be free to refuse any Reward Share within 24 hours from the receipt of the Reward Share by contacting Us at <https://helpcentre.trading212.com/hc/en-us/requests/new>. Participants are also able to cancel the Reward Share at the time of its allocation. Participants shall not be entitled to a new Reward Share for any refused or cancelled one. In case any Participant cancels the allocation of the Reward Share unintentionally they may contact Us to review the case. If We find that the cancellation was indeed unintentional We shall remediate the situation at our sole discretion.

Participants shall receive the Reward Share only after they have fulfilled all criteria set out within Section 4.

The monetary value of the Reward Share is subject to a 30 days withdrawal suspension period (withdrawal of the amount will not be possible during this period) (**'Lock-Up'**). The Lock-Up does not affect in any way any other assets that the Participant may have. In case a Participant has sold the Reward Share at a loss (for less than it cost at the time of allocation) only the funds acquired from the sale would be subject to the Lock-Up. In case a Participant has received a monetary amount for a Reward Share, this amount shall also be subject to the Lock-Up.

## 6. Disqualification
