

## Trading 212 Surpasses £25 Billion in Client Assets and 4.5 Million Clients, Cementing Position as the UK's Fastest-Growing Saving and Investment Platform

**London, 21 May 2025** — [Trading 212](#) has officially reached a major milestone with over **£25 billion in client assets under administration** and a thriving community of **4.5 million clients globally**, making it the **fastest-growing savings and investment platform in the UK**.

By pioneering **zero-commission** and **fractional share investing** across the UK and Europe, Trading 212 has transformed access to the financial markets. Millions of people have been empowered to invest without facing the high fees that have historically been a barrier to entry.

Further fuelling this growth is the platform's **high-interest Cash ISA**, which enables savers to **maximise earnings on their savings** through a tax-efficient and competitive rate.

In addition to investment and savings products, Trading 212 recently launched the **Trading 212 Card**, currently offering **1% cashback on all purchases** and **zero foreign exchange (FX) fees**, making it a powerful and cost-effective tool for everyday spending both at home and abroad.

"Our mission has always been to unlock wealth building for everyone," said Ivan Ashminov, co-founder and chairman of the board of Trading 212. "Reaching this scale is a testament to the trust our clients place in us and to the value we bring through innovation, accessibility, and transparency."

With continued momentum, Trading 212 remains committed to reshaping the future of personal finance by breaking down barriers and delivering market-leading tools for everyday investors or savers.
